

Floor Covering With Confidence

CHEMICAL MARBLING ON WATER

For the past 50 years, Royal Thai has been designing and manufacturing carpets for high-end hospitality spaces across the globe. A family-oriented company founded by the Srivikorn Group, our core values stand strong: to help elevate the lives of those around us.

We can
design
anything
you dream.

“We have a vision for
a new kind of flooring
company, one that is built
on a tradition of excellence
and poised for success on
a whole new scale.”

– Bill Palmer, Co-CEO

STEP INSIDE OUR WORLD

As carpet designers and collaborators, inspiration comes from many places—from fine art, fashion and architecture to our process, machinery and materials. The artforms in this book reflect this idea, using the same materials and techniques that artists and designers, from a variety of disciplines and backgrounds, employ in their work.

PAINT ON CONCRETE

Today, Royal Thai is the largest supplier of Axminster carpets in the world, and we represent every corner of the globe, with a leadership team that covers every time zone, a manufacturing team based in Thailand and design teams across Europe, Asia and the Americas.

Working with Royal Thai means you can expect high-quality flooring with the most durability and variety in color and pattern. You will also be guided through the selection process by our world-class sales team and gain access to 50 years of design archives with over 10,000 designs to choose from. Or, if you would rather customize your own unique floor covering, we can design anything you dream.

SUMINAGASHI INK METHOD

We invite you to take a look at our work
and see how we can help you enhance
your brand and overall vision.

The background of the entire page is a marbled paper pattern in shades of beige, tan, and dark brown. The pattern consists of swirling, organic shapes that resemble natural stone or liquid marbling. A white rectangular area is positioned on the right side of the page, containing contact information.
